Case Presentations: 9am – 9.30 am

- Each week we will allocate two RMOs to do 1 presentation. If you are away you will need to do your part of the presentation in advance/swap. It is **YOUR responsibility** to ensure it is done.
- Presentations should be on a specific aspect of the weekly topic.
- Consider 15 mins case & 15 mins discussion.
- Think of useful teaching points for your colleagues.
- The more interactive the better. Feedback will be given.
- Please email us at least 24-48 hours prior to the session to discuss the topic and any issues.

Attendance

- **Teaching is a paid shift & is compulsory** for all JMO's who are not on nights/ on the floor/ on leave.
- **Attendance is monitored** weekly & will form part of your end of term assessment
- If you are unable to attend please contact the Education Registrar **prior** to teaching session:
