

# ride for renewables

**Calling all doctors,  
medical students and  
community members.**

Join Doctors for the Environment Australia (WA) and Fremantle Wind Farm Project in a 20km interhospital bike ride to raise awareness about the health impacts of climate change and advocate for renewable energy in Western Australia.

royal perth hospital  
sir charles gairdner hospital  
north mole, fremantle

Show your support by riding in style. We encourage you to wear scrubs, lab coats and blue and green colours.

sunday  
october 30th  
9:30am

FREE registration via

<https://goo.gl/forms/pwl7dsxwzaz64brx1>

Lunch and presentations by  
DEA(WA) and Fremantle  
Wind Farm Project will follow
